HASTANG OF CHEBSEY, STAFFS
HASTANG BARON HASTANG

ARMS: *Azure a chief gules over all a lion rampant argent (*c1272) [HASTANG 1]; *Azure a chief gules over all a lion rampant or (*c1288-94) [HASTANG 2]; *Azure a chief gules over all a lion rampant double-tailed or (*c1304/14) [HASTANG 3]

The earliest recorded arms with lion argent are for Humphrey Hastang (perhaps a younger brother). Robert Hastang c1235-a1311 seems to have used only the lion or. His son and heir John Hastang c1260-a1332, during his father's lifetime, used the lion argent and later the lion or with a difference. The double-tailed lion was only used by Robert Hastang 1st Baron Hastang c1262-a1336. Other unidentified members of the family used similar arms with various differences.
